HondaLink®

Models with Display Audio

A subscription-based service that provides convenient features such as voice communication in case of emergency, online security, and one-on-one operator assistance*1.

To check phone compatibility and get more information, visit handsfreelink.com (US). Canada customers can phone (855) 490-7351 for any HandsFreeLink® related inquiry. Standard data rates may apply with your phone service provider.

HondaLink® Connection

Follow the steps below to connect to HondaLink® Connection and use its features.

You need to allow the consent of the location service to enable the HondaLink® service.

Enable once: Allows only one time. (Prompt shows again next time.)

Always Enable: Allows anytime. (Prompt does not show again.)

Disable: Does not allow this consent.

*1 - If equipped
